Michigan Gaming Control Board approves minimum reopening guidelines for Detroit casinos

Michigan Gaming Control Board approves minimum reopening guidelines for Detroit casinos

Contact: Mary Kay Bean 313-456-1344

Detroit, June 8, 2020 - The Michigan Gaming Control Board today approved [minimum reopening guidelines](#) for the Detroit casinos to protect public health and safety. The casinos will remain closed until reopening can be permitted under Gov. Gretchen Whitmer's Safe Start Plan.

"In compiling these minimum guidelines, we considered CDC recommendations, Nevada Gaming Board guidelines and information from the National Indian Gaming Commission," said Richard S. Kalm, MGCB executive director. "We required the casinos to propose reopening plans, and we consulted with the casino unions on the guidelines. We believe the guidelines will protect the public when it is safe to reopen the casinos."

The minimum guidelines for initial opening include:

- Limit of 15 percent the legal capacity at each casino
- Limited entrance points with temperature checks
- A ban on smoking on the casino floors
- No poker rooms
- Heightened cleaning protocols
- Social distancing

The minimum reopening guidelines approved today will be implemented after the governor issues an order allowing the casinos to reopen.

"The Michigan Gaming Control Board shall ensure the conduct of fair and honest gaming to protect the interests of the citizens of the State of Michigan."
