About the Hinman Dental Meeting

The Thomas P. Hinman Dental Meeting is an annual tradition, providing dentists, dental hygienists, dental assistants, laboratory technicians and dental office staff with the latest and most comprehensive continuing education in dentistry today. Our meeting is known for its Southern Hospitality, extraordinary educational programs, impressive roster of speakers, unsurpassed social events and all-inclusive technical exhibition. The Meeting is sponsored by the Hinman Dental Society, a non-profit organization, and all excess revenue is invested and then gifted in the form of scholarships to individuals and institutions that foster dental education. The society has provided nearly \$10,000,000 in total giving to date.
