Planning Underway for Both In-Person and Online this March

It's been a long few months for us all as we navigate the uncertainty of life during the COVID-19 pandemic. This crisis has reconfirmed how important personal connections are and how much we miss being together. We are all craving that basic human connection and we want to bring our community together again. Whether it be in person in Atlanta or online in a virtual setting, bringing you world-class CE and exhibits is what we do best. We'll continue to do just that this March....in whatever way works for you during these unprecedented times.

Our top priority is the health and safety of our attendees, exhibitors and guests. We are working closely with local and state officials to coordinate a safe return to travel. To review the Atlanta Convention and Visitors Bureau's Health and Safety Procedures information, [click here](#).

As with most things during this crisis, this situation is fluid. We will provide further updates as they become available. Thank you for your patience while we work through the details.

What we know right now:

- Registration will open January 7, 2021.
- In-person attendance includes access to virtual courses, including all on-demand offerings.
- The in-person meeting will be much smaller than what you are used to experiencing at Hinman to allow for social distance guidelines to be put in place.

Thank you for your support!! By attending Hinman (in person or virtually), you are supporting the future of dentistry. The Meeting is sponsored by the Hinman Dental Society, a non-profit organization, and all excess revenue is invested and then gifted in the form of scholarships to individuals and institutions that foster dental education.

We wish you health and happiness now and always.

In this together,

The Thomas P. Hinman Dental Meeting

About the Hinman Dental Meeting

The Thomas P. Hinman Dental Meeting is an annual tradition, providing dentists, dental hygienists, dental assistants, laboratory technicians and dental office staff with the latest and most comprehensive continuing education in dentistry today. Our meeting is known for its Southern Hospitality, extraordinary educational programs, impressive roster of speakers, unsurpassed social events and all-inclusive technical exhibition. The Meeting is sponsored by the Hinman Dental Society, a non-profit organization, and all excess revenue is invested and then gifted in the form of scholarships to individuals and institutions that foster dental education. The society has provided nearly \$9,000,000 in total giving to date.
