Continuing Education

The Michigan Dental Association is your first choice for continuing education. You'll also find important information about mandatory continuing education requirements and relicensure.

Virtual CE Packages

The Michigan Dental Association has teamed up with the Star of the North and the Arizona Western Regional Dental Experience to provide two virtual continuing education packages, which offer great speakers, convenience, and value. Both are only available for a limited time so check them out now!

MDA Online CE Listings

MDA online continuing education is a convenient way to earn those extra CE credits you need. Remember, you can earn up to 30 CE credits online (RDA and RDH may earn up to 18 credits) in each three-year licensing period. Successfully passing the online quiz associated with the course earns you one continuing education credit within the online CE category.
