In Recognition of Your Hard Work  
This is for You, with Love and Respect

**"The rest of us have no idea  
What these times are like for you  
With all the COVID drama  
And, the lists of what you do!**

**You work to keep yourself in check  
While you're pulled in every way.  
You are the one they count on  
When you have the final say.**

**You lead your team with dignity.  
You offer a calming word  
You're grateful for your team's support  
And, to know that you've been heard.**

**This is your time – this is your path.  
You're stronger than you know.  
You are ready for this challenge –  
They will follow where you go.**

**So, take a breath and make it deep  
This current road is rough  
But nurses know that they were made  
To excel when times are tough."**

*– Donna Wood, Executive Assistant, StoneGate Senior Living, NEC Member*
