Healthy & Safety FAQs

World of Concrete in Las Vegas

Guided by Informa AllSecure (<https://web.archive.org/web/20210318162133/https://www.informa.com/allsecure/>), a detailed set of measures developed collaboratively with industry associations, event organizers, and venues, World of Concrete aims to deliver the highest levels of hygiene and safety at its event, providing everyone with reassurance and confidence they are participating in a safe and controlled environment. Please read below for complete details on the safety requirements needed to enter the event, along with safety and hygiene measures guests can expect.

OUR INFORMA ALLSECURE: OUR COMMITMENT TO YOUR SAFETY

The event will be organized in accordance with Informa AllSecure health and safety standards. World of Concrete will feature over 88 hand sanitation units, contactless registration, daily temperature screenings, face mask requirements, enhanced cleaning, and more.

Cleaning and Hygiene

Under Informa AllSecure standards, World of Concrete will facilitate cleaning and hygiene through the following processes:

ENHANCED CLEANING

There will be continuous sanitation throughout the course of the event, with a focus on 'high-touch areas', such as door handles, restrooms and food and beverage areas.

PERSONAL HYGIENE

World of Concrete will provide throughout the show floor, and encourage all participants to regularly wash and disinfect their hands.

INCREASED AIR CIRCULATION

The Las Vegas Convention Center's HVAC systems will remain running throughout the course of the event, designed to introduce fresh air into the building on a constant basis.

Physical Distancing

Under Informa AllSecure standards, World of Concrete will facilitate physical distancing through the following processes:

NON-CONTACT REGISTRATION

Through increased use of technology, World of Concrete aims to minimize lines and entry transactions. Visitors are encouraged to register online before the show enabling barcode scanning for contactless entry. Registration and customer service areas will have a partition between visitors and staff.

CROWD DENSITY STANDARD (CDS)

Credential scanning upon entering and exiting the exhibit hall will allow show management to monitor the number of people on the show floor to ensure that each person is physically able to maintain 6' of distance.

PHYSICAL DISTANCING

World of Concrete is following a 3-foot radial distance / 6 feet of physical distance per person. One-way entrances and exits into the building and exhibit halls. Lounges, table rounds, seating areas will be arranged to ensure physical distancing. Elevators and restrooms will have capacity controls.

Protect and Detect

Under Informa AllSecure standards, World of Concrete will facilitate required health protocols and assistance through the following processes:

TEMPERATURE SCREENINGS

World of Concrete will screen all guests for elevated (over 100.4F) temperatures via thermal temperature scanning prior to exhibit hall entry.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

All guests will be required to wear a face mask upon entry to Las Vegas Convention Center. Masks and gloves will be available on-site if a guest does not have their own.

FIRST AID

World of Concrete will have access to a qualified first aid responder for any immediate medical needs or medically-related questions.
