The Sunbelt Builders Show™ is designed to help builders, remodelers and associates grow their businesses. The Show is the largest in Texas and draws residential construction industry professionals and associates from around the United States, Canada and Mexico.

Sunbelt brings in 200 plus top manufacturers and suppliers to showcase the best new products and technologies to the nation's elite builders, remodelers and developers.

The Show floor is a sponge for quality education and demo sessions for attendees and exhibitors.

The Texas Association of Builders (TAB) will also host its summer committee and board of director meetings July 13 - 17. This is a prime time for TAB's membership to get updated on industry changes following the 87th Legislative Session.
