OUR PRIORITIES

ACADEMICS

Providing opportunities to earn a college degree is at the heart of our mission. Student-athlete graduation rates are the highest ever with 80 percent earning their degrees.

Our Work

[Only a fraction](#) of the nearly 8 million current high school athletes in the United States will go pro.

The NCAA's Sport Science Institute [promotes health and safety](#) through research and training.

Where does the money go? NCAA schools [distribute more than \\$3.5 billion](#) in athletics scholarships each year.

Only teams that [make the grade](#) can participate in championships, and Division I schools' share of revenue will be [tied to academics](#).

Looking for a job at the NCAA's national office? [Join our team](#).

89 percent of Division I college athletes are [earning degrees](#) – the highest rate ever.

Health and safety extend beyond the playing field. [See resources devoted to creating safe campuses](#).
