

ORDER OF THE HEALTH OFFICER OF THE COUNTY OF RIVERSIDE
CANCELLING TEMECULA VALLEY BALLOON AND WINE FESTIVAL ON DATES
CURRENTLY SCHEDULED

DATE OF ORDER: February 24, 2021

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; County Ordinances 533 and 556.)

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, AND RIVERSIDE COUNTY CODE SECTION 533.6, THE HEALTH OFFICER OF THE COUNTY OF RIVERSIDE ("HEALTH OFFICER") ORDERS:

1. The Temecula Valley Balloon and Wine Festival currently scheduled for May 2021 is hereby **cancelled**.
2. This Order is issued as a result of the worldwide epidemic of COVID-19 disease, also known as "novel coronavirus," which has infected over 100,000,000 individuals worldwide in 192 countries and is implicated in over 2,300,000 worldwide deaths as of the date of this Order. Riverside County has over 280,000 confirmed cases and 3,600 deaths.
3. This Order recognizes that the Festival is a gathering of an international scope, attracting tens of thousands of attendees from many countries, including several disproportionately afflicted by the worldwide COVID-19 epidemic.
4. This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. If COVID-19 was detected at this festival, the scope and number of attendees and the nature of the venue would make it infeasible, if not impossible, to track those who may be placed at risk.
5. This Order is issued in accordance with, and incorporates by reference, the: March 4, 2020 Proclamation of a State Emergency issued by Governor Gavin Newsom; the March 8, 2020 Declaration of Local Health Emergency based on an imminent and proximate threat to public health from the introduction of novel COVID-19 in Riverside County; the March 10, 2020 Resolution of the Board of Supervisors of the County of Riverside proclaiming the existence of a Local Emergency in the County of Riverside regarding COVID-19; and the March 10, 2020 Resolution of the Board of Supervisors of the County of Riverside ratifying and extending the Declaration of Local Health Emergency due to COVID-19; and the Governor's Stay-at-Home Order of March 19, 2020; and all other orders issued by the State of California.
6. This Order is made in accordance with all applicable State and Federal laws, including but not limited to: Health and Safety Code sections 101030, et seq.; Health and Safety Code sections 120100, et seq.; and Title 17 of the California Code of Regulations section 2501.
7. To the extent necessary, pursuant to Government Code sections 26602 and 41601 and Health and Safety Code section 101029, the Health Officer requests that the Sheriff and all Chiefs of Police in the County ensure compliance with and enforcement of this Order.

8. Copies of this Order shall promptly be: (1) made available at the County of Riverside Health Administration office located at 4065 County Circle Drive, Riverside, CA 92503; (2) posted on the County of Riverside Public Health Department's website (rivcoph.org); and (3) provided to any member of the public requesting a copy of this Order.
