Unpaid Tolls

Drivers on the Illinois Tollway system are required to pay tolls as indicated by signs posted at toll plazas.

Customers who pay cash may find themselves in an unattended toll plaza lane or in an I-PASS or Pay Online lane. If this happens, continue driving forward. Do not back up at any time—it is unsafe. Make note of your location by identifying the toll plaza name or number or the nearest milepost.

You will be required to identify the unpaid toll location when submitting your payment. Payments must be made within the grace period and can be made online or by mail.

Get Real Time Roadway Condition and Incident Alerts

Tollway customers can "follow" each of the five tollways – the Tri-State Tollway (I-94/I-294/I-80), Jane Addams Memorial Tollway (I-90), Reagan Memorial Tollway (I-88), the Veterans Memorial Tollway (I-355), and the Illinois Route 390 Tollway – to receive real-time roadway incident and pavement condition information to help plan their trips.

Tollway Trip Tweets include information about the type of incident, the location by nearest crossroad and milepost, and the subsequent impact on traffic, such as lane closures. They also include information regarding pavement conditions during inclement weather.

Tollway Trip Tweets are an informational service to be used by customers only when they are not operating a vehicle. It is against the law to email, text or tweet while driving in Illinois.

Remember: If you see ANY vehicle stopped on the side of the road with flashing lights #GiveThemDistance. Slow down. Change Lanes Safely. #Move Over. It's the law in Illinois.
