MPRB FAQs regarding coronavirus (COVID-19)

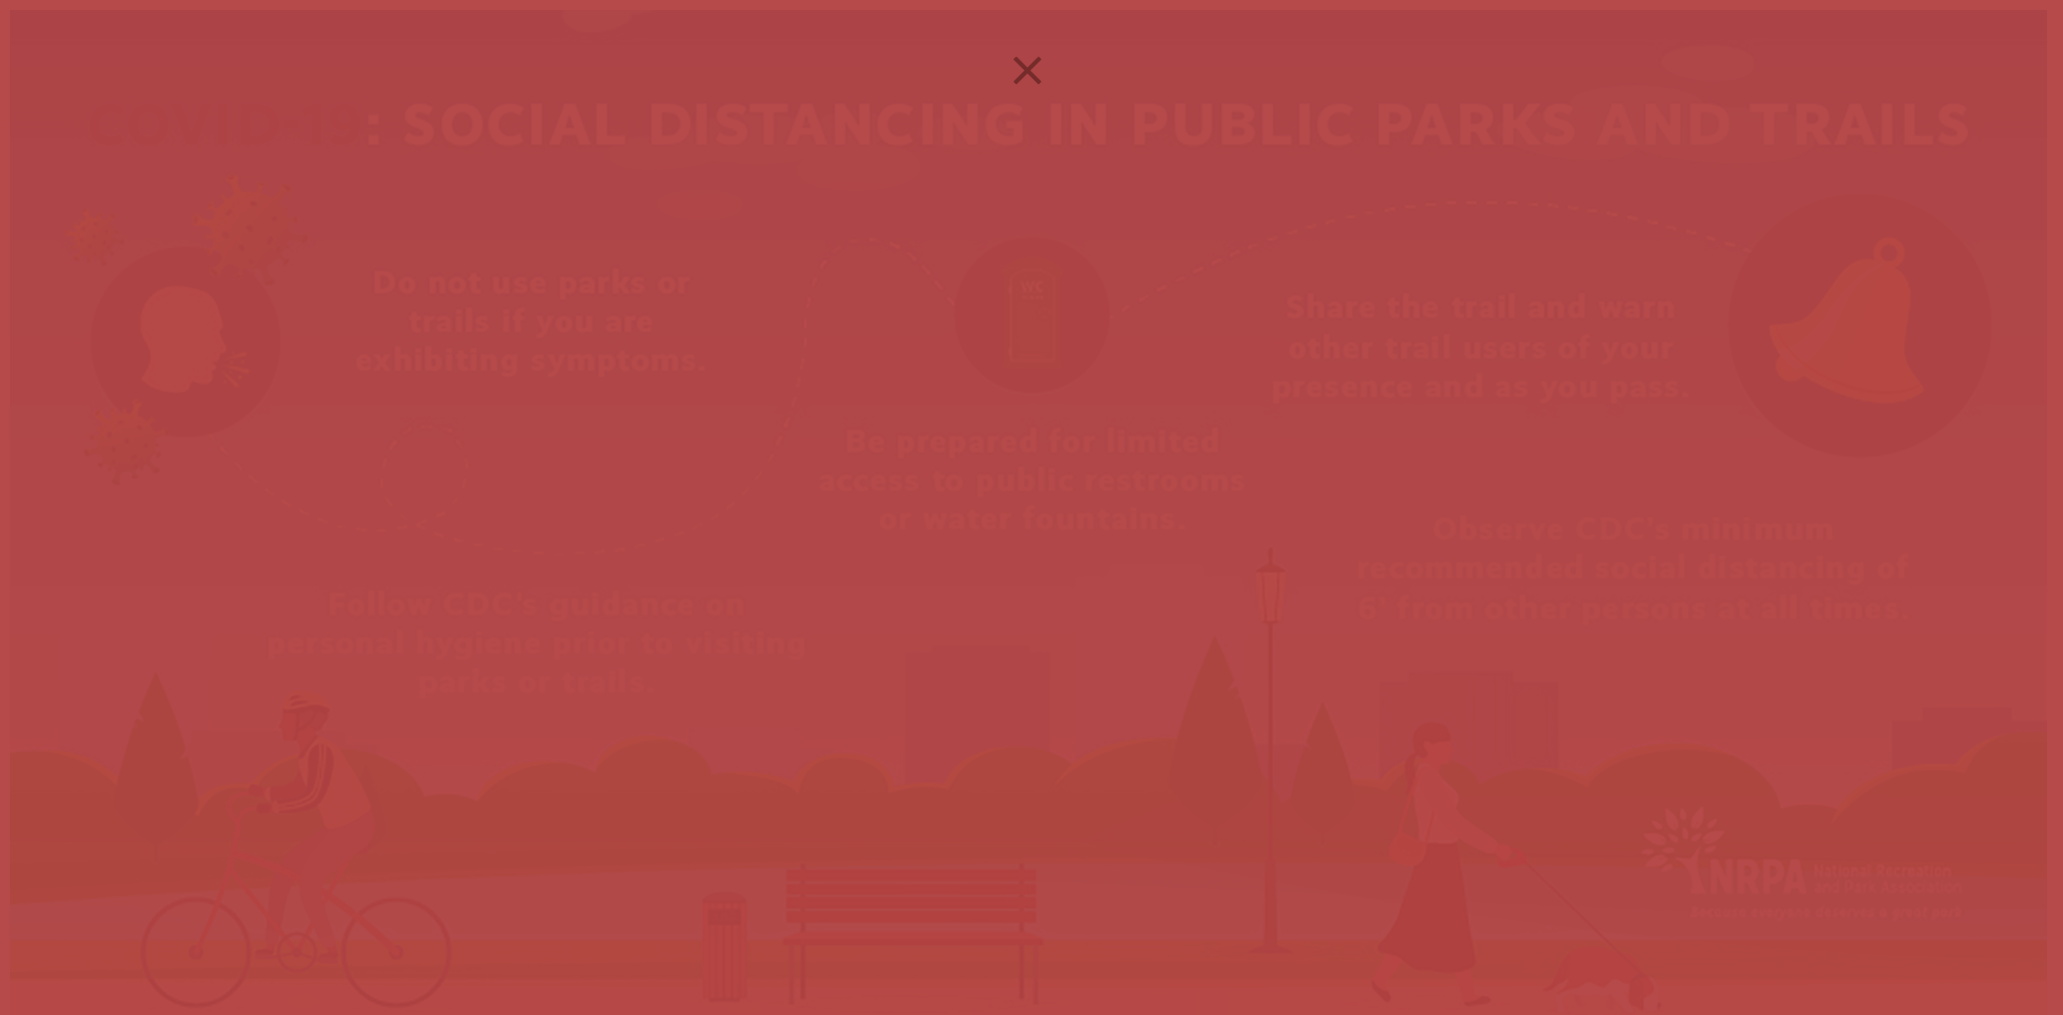

UPDATED March 27, 2020

The Minneapolis Park and Recreation Board's (MPRB) priority is the health and safety of our park visitors and employees. The MPRB is actively monitoring and responding to the coronavirus COVID-19 in partnership with the Minneapolis Health Department, Minneapolis Office of Emergency Management, and Minnesota Department of Health (MDH), which is leading the statewide response to COVID-19. MPRB leadership staff are discussing COVID-19 daily and determining strategies related to COVID-19 impacts to the MPRB, the public we serve, and our employees.

Additional local, state and national resources and recommendations are available on their COVID-19 webpages:
