An official website of the United States government Here's how you know

Official websites use .gov

A **.gov** website belongs to an official government organization in the United States.

Secure .gov websites use HTTPS

A **lock** (A locked padlock) or **https://** means you've safely connected to the .gov website. Share sensitive information only on official, secure websites.

The latest general information on the Coronavirus Disease 2019 (COVID-19) is available on the [CDC website](#).
