Amendment No. 5 to Emergency Order 27-20

[HTML](#) | [PDF](#)

Apr. 7

This order amends Emergency Order 27-20 to state that the countywide curfew shall expire and be of no further force and effect on April 12, 2021 at 12:01 a.m.

Amendment No. 1 to Emergency Order 33-20 - Canceled

[HTML](#) | [PDF](#)

Apr. 7

This order amends Section 3(d) of Emergency Order 33-20 to state that restaurants and other food service establishments with seating for more than eight people shall close for on-premises dining between the start of the curfew as determined in Emergency Order 27-20 and 6:00 a.m. the next morning; that such establishments may operate their kitchens for the purpose of providing delivery services, pick-up or take-out services; that employees, janitorial personnel, contractors and delivery personnel shall be allowed access to such establishments at all times; and that upon the expiration of the curfew, the limitations of this Section 3(d) shall be of no further force and effect.

Emergency Order 33-20 - Canceled

[HTML](#) | [PDF](#)

April 5

Effective April 6, 2021 at 6:00 p.m., this order cancels Emergency Orders 08-20, 10-20, 20-20, 24-20, 25-20, 29-20, 30-20 and 31-20, and authorizes every retail and commercial establishment and any other establishment or facility in the County to open, provided that each such establishment complies with facial covering requirements, provides hand sanitizer for customers and employees or facilities for hand-washing, uses reasonable efforts to ensure that customers and employees onsite maintain appropriate social distancing, as recommended by current CDC guidance, and ensures that sick employees do not report to work. Establishments not in compliance shall immediately close until compliance issues are addressed, must review this order, take all measures to come into compliance, and submit an executed attestation (Exhibit B). This order states a minimum occupancy of 50 percent for restaurants and other food establishments, and that these establishments shall be allowed to operate at up to 100 percent if the establishment ensures 6 feet of distance between tables and ensures that persons not actively eating or drinking are wearing facial coverings. This order states that the COVID Safety Guidelines ("Guidebook") attached as Exhibit A is provided for information purposes only, and that no provisions therein shall be binding on any individual or establishment. This order states that employers do not need to require a negative COVID test before employees return to work. This order also states that all persons throughout Miami-Dade County shall wear a mask or other facial covering when in public, except as set forth in Section 5C of the order, and that no group of 10 or more individuals shall gather on a public street, alley, public way, sidewalk, public park, or in any body of water (excepting persons on private boats), and that where 10 or more individuals are separated by appropriate social distancing, no such group shall exist.

Amendment No. 2 to Emergency Order 29-20 - Canceled per Emergency Order 33-20

[HTML](#) | [PDF](#)

Sept. 29

Effective as of 12:01 a.m. on October 1, 2020, this order amends Emergency Order 29-20 to allow for team competitions in all sports and to clarify that that facial coverings will be required in parks and other outdoor spaces with certain exemptions. The order states that facial coverings shall not be required while actively engaging in an organized sport, playing tennis, or while swimming or otherwise in a pool, ocean, or other body of water. For purposes of this exemption, organized sport means a sport such as soccer, baseball, basketball, softball, boxing, and other recognized sport that is part of an established athletic league or part of an organized program (municipal or otherwise). The facial covering exemption for organized sports includes training and practice sessions and matches, but prior to commencing and immediately upon concluding a training or practice session or a match, individuals must wear facial coverings. Individuals who are exercising in their personal capacity and not training as part of an organized sport (i.e., participating in a regular fitness class, using gym equipment as part of a workout, including with a personal trainer or coach, or playing a sport for leisure, excepting tennis) do not fall within the definition of "organized sport" and are not exempted from using facial

sleeping rooms) do not fall within the definition of "organized sport" and are not exempted from using facial coverings. All persons, except for members of the same household, shall observe social and physical distancing,

both within groups and with others. Bleachers shall not be open to spectators where sports team formal competitions and league play is permitted. The order also allows the opening of playgrounds and other mechanical equipment, so long as all high-touch surfaces are cleaned and disinfected daily at least daily with CDC-approved cleaners, and facial coverings must be worn and social/physical distancing between people from different households must be maintained.

Emergency Order 30-20 - Canceled per Emergency Order 33-20

[HTML](#) | [PDF](#)

Sept. 26

Effective immediately, and in conformance with the Governor of Florida's Executive Order Number 20-244, this order rescinds County Emergency Orders 01-20; 16-20, as amended; and 28-20, as amended; and authorizes every retail and commercial establishment and any other establishment or facility in the County to open provided that each such establishment complies with specific capacity, social distancing and other requirements, including the applicable activity-specific requirements in the "Moving To A New Normal Handbook," attached as Exhibit A, as amended; the facial covering requirements in Emergency Order 20-20, as amended; and the entry of County or municipal personnel onto the establishment's property for the sole purpose of inspection for compliance with this order. Specific to restaurants and other food service establishments, this order permits a minimum occupancy of 50 percent, without limitation, and states that these establishments shall be allowed to operate at up to 100 percent capacity if the restaurant: (1) ensures six feet of distance between tables; (2) ensures that no more than six persons (or ten persons if in the same household) sit at a table; and (3) ensures that persons not actively eating or drinking are wearing masks.
