comes after the revolution files js include."; errorMessage += "
```

This includes make eliminates the revolution slider libraries, and make it not work."; errorMessage += "

To fix it you can:

1. In the Slider Settings -> Troubleshooting set option: Put JS Includes To Body option to true."; errorMessage += "
2. Find the double jquery.js include and remove it."; errorMessage = "" + errorMessage + "" + jQuery(sliderID).show().html(errorMessage); } /* */
