Governor Announces CA Health Corps

Governor Newsom announced today that he signed an [Executive Order](#) to waive any of the professional licensing and certification requirements and amend scopes of practice for certified nursing assistants, home health aides, and nursing home administrators, among others to respond to the pandemic.

He announced the creation of the California Health Corps and related website healthcorps.ca.gov to immediately recruit 37,000 retired and inactive, as well as students, workers into the field.
