Testimonials

- Exhibiting at the NAHC Conference allows Axxess to connect with and empower the entire industry. It is a unique opportunity to forge partnerships that have helped Axxess grow.

Adrian Killebrew, Business Development Executive, Axxess

- We always have multiple members of our team attend the Financial Management Conference. The universal feedback is it a great conference due to the content and networking with others in the industry. We believe it is a great value for the money. We are sending six to the FMC this year based off prior years and believe it worth the travel cost in today's environment. This event is a priority item versus other opportunities.

Joe Calcutt, Chief Financial Officer of Liberty Healthcare

- I have been a member of NAHC almost my entire career and I wouldn't be in business if I had not been a member of NAHC... The legislative action that NAHC completes for us is invaluable because it brings all of the home care voices together as one and without that we would have no power in Washington.

Kim Gaffey, CEO of Gaffey Home Nursing & Hospice

- The NAHC Annual Meeting is the place to be if you are in the home care and hospice space. This is a must attend show for newcomers and home care veterans alike.

Jennie Perrelli, Director of Events, Education and Outreach, Simione Healthcare Consultants

- NAHC not only attracts hundreds of attendees, it attracts quality attendees that are serious decision makers looking for change and new solutions. NAHC strategically selects amazing

locations to host their conferences, pulling in the local culture and vibe. These locations provide an amazing ambiance as well as many locations for networking opportunities. NAHC is a must for your 2019 Conference Calendar.

Jill Schexnayder, KanTime Marketing and Events Coordinator

- If you are committed to your company's future, the annual NAHC conference is a 'must attend' event. It is the only venue that combines critical education on new regulations and reimbursement, access to new technologies and innovation, and the opportunity to discuss best practices with your peer group. Everyone left with at least a few new ideas on dealing with the upcoming challenges in 2019. The venue and food were a bonus!

Mark Kulik, Managing Director of The Braff Group

- The annual conference has been amazing. The amount of access to people who have all the answers is unbelievable. Even the biggest speakers, you get time to rub elbows with... It's been completely remarkable and I'm going to leave here really empowered to do a lot of good things for our members. I can't wait for next year.

Joe Russell, Ohio Council for Home Care & Hospice

- FMC is like the World Series. It occurs once a year bringing together the best minds of the consulting, provider, technology and other suppliers of the home health and hospice industries for a thoughtful and intense discussion of the most relevant issues and challenges we face. You simply cannot afford to miss it.

Walter W. Borginis III, CPA, CGMA, MBA, FCPP, Former President and CEO of Visiting Nurse Association of Philadelphia

- If I only go to one conference a year, the Financial Management Conference is the one. It's focused, intense, and gives leaders what is needed to guide their hospice and home health agencies for the future. I have not missed a FMC since moving into a leadership role

Carolyn Flietstra, Executive Vice President of Home and Community Services at Holland Home

- The annual conference has been exceptional. Great speakers. A lot of motivation and a lot of great information to take back to share with my colleagues. Really focused on patient-centeredness...Exciting stuff.

Diane Graham, VP of Clinical Operations Support & Professional Development at Amedisys
