Orders by governor party affiliation

The map below details the partisan affiliations of governors that have implemented statewide shelter-in-place, stay-at-home, closure, or shutdown orders in response to the COVID-19 outbreak. Hover over a state to view the name of its governor.

Forty-three states issued statewide shelter-in-place, stay-at-home, closure, or shutdown orders.

- States with Republican governors: 19
- States with Democratic governors: 24

Orders by trifecta status

The chart below shows the duration of stay-at-home orders based on trifecta status. States are grouped by trifecta status.

The chart below shows the date each state's stay-at-home order began. States are colored based on their trifecta status.

General resources

The chart below shows coronavirus statistics from countries across the world. The information is provided by [Real Clear Politics](#).
