ADVOCATE, COLLABORATE, EXPERIENCE, AND CELEBRATE IN WASHINGTON, D.C.

Important Update

ACEC National is focused on helping the engineering industry navigate through this uncertain time. The health and safety of our members, their families and our exhibitors is paramount in our minds as we consider the timing of our Annual Convention and Legislative Summit in Washington, DC in April.

We have been informed by the Marriott Wardman Park that ACEC's 2020 Annual Convention and Legislative Summit can no longer occur at their hotel on the scheduled dates. We are now assessing options on moving forward with a virtual convention, and likely postponing our advocacy program and the Engineering Excellence Awards Gala to a later date. More details on these rescheduled events will be forthcoming soon.
