2020 Annual Conference
The 2020 Appraisal Institute
Annual Conference has been canceled.

Due to the coronavirus pandemic, the Appraisal Institute has taken the unfortunate but necessary step of canceling its 2020 Annual Conference, which had been scheduled for Orlando, Florida, in August.

The Appraisal Institute's top priority for this event is the health, safety and well-being of its professionals and other attendees. AI's leadership decided that the fluidity and severity of the pandemic prevented the necessary assurance that the event could be held safely. Since registration did not open this year, there is no action you need to take. Speakers and sponsors have been notified separately, and AI staff is working with them directly.

Please note that the Joint Region Meeting scheduled for the week of the AI Annual Conference will not take place in 2020, and the AI Board of Directors meeting set for that week now will be held virtually.

An announcement for the site and date of the 2021 Appraisal Institute Annual Conference will be coming shortly. We look forward to seeing you next year. Until then, please stay safe!
