By Jessica Griggs for MC USA

(ELKHART, Ind.) For the first time, Mennonite Church USA (MC USA) is offering convention-goers the opportunity to participate [virtually in its biennial MennoCon convention](#). Using an online event platform called Pheedloop, participants will be able to experience the hybrid MennoCon21 convention, which will be held online and in Cincinnati, Ohio, July 6-10, from the comfort of their homes.

Scott Hartman, MC USA's director of event planning said, "The virtual programming will capture the excitement of the in-person event, with live-streamed worship, equipping seminars for youth and adults, and a virtual
