This year, with support from our partners at [Caterpillar](https://www.caterpillar.com/) (<https://www.caterpillar.com/>), [Exmark](https://www.exmark.com/) (<https://www.exmark.com/>), [Z Turf Equipment](https://www.z-spray.com/index.php) (<https://www.z-spray.com/index.php>), [Gravelly](https://www.gravelly.com/) (<https://www.gravelly.com/>), [John Deere](https://www.deere.com/en/index.html) (<https://www.deere.com/en/index.html>), [New Holland](https://agriculture.newholland.com/nar/en-us) (<https://agriculture.newholland.com/nar/en-us>), [SiteOne](https://www.siteone.com/en/) (<https://www.siteone.com/en/>), and [STIHL](https://www.stihlusa.com/) (<https://www.stihlusa.com/>), we held and videotaped a small ceremony in Section 81 (the newest area of the cemetery) and added needed shade to the area by planting a Red Oak tree donated by Country Spring Wholesale Nursery.

NALP President Andrew Ziehler and ANC Superintendent Ray Alexander addressed the group, which included past Renewal & Remembrance chairs; Bruce Allentuck, Phil Fogarty, and Walter Wray; current Vice-Chair, Eric Gilbey; and current Chair, John Eggleston as well as NALP CEO Britt Wood and the horticulture team at Arlington National Cemetery who are longtime partners of this event. Many thanks to ANC for letting us hold the small ceremony even though the grounds are closed to the public, and to our industry partners who not only provide financial support but also are deeply invested in the event – volunteering their time and equipment to help make the event a success and to help leave their mark alongside NALP members and their children. It wasn't the same this year – not even close – we miss all our 400 volunteers and look forward to seeing you on Monday, July 19, 2021, for the 25<sup>th</sup> year of Renewal & Remembrance.
