

2021 Fort Worth Stock Show & Rodeo Cancelled

Due to the ongoing threat of COVID-19, the executive committee of the Fort Worth Stock Show & Rodeo has cancelled the 2021 Show. Consultations with numerous infectious disease and public health professionals indicate the Stock Show – with more than 1.2 million guests, exhibitors and competitors converging on the Will Rogers complex – would rank as a “very high risk” for further spread of COVID-19 and potentially impact populations and healthcare systems in Fort Worth and beyond the North Texas area. We urge everyone to do their part in the effort to bring this dreaded disease under control.
