Mandatory COVID-19 Vaccination Policy - Updated September 2021

To ensure maximum safety, Questex has instituted a mandatory COVID-19 vaccination policy for all in-person participants at our LDI Show in Las Vegas. Participants at LDI will be asked to provide proof of vaccination before the event starts. Additional details on the vaccine policy will be provided upon registration.

If you cannot participate because of this policy, or due to travel restrictions, we encourage you to [contact us](#).

Please refer to [our FAQs](#) if you have further questions.

[REGISTER NOW](#)

LDI is the catalyst that connects the entire entertainment design and technology community with manufacturers of state-of-the-art gear. Join us at LDI2021, where the business does business, as live events return after a long intermission.

- Learn how to master storytelling via the use of cutting-edge technology.

- Network with experts from all aspects of the live events industry.
- From professional training to the use of XR and virtual production, learn to enhance audience experiences.
- All this and more with safety regulations a priority to ensure a healthy and productive event.
