Veterinary practices awaiting an accreditation visit from the American Animal Hospital Association person during the COVID-19 pandemic.

“For the time being, AAHA will conduct more than in-person practice evaluations. We want to hear from your member experience as much as possible.”

AAHA and other large veterinary associations are in a difficult situation and in some cases may be forced to close.

AAHA’s only programming club is the Practice Essentials management program, as is the annual Connexivity conference.

The association’s Lakewood, Colorado office was encouraged to work from home during communications.

The American Association of Veterinary Practitioners office but canceled a committee meeting planned for late March.

regarding reducing exposure,” said Sally J. Baker, director of marketing and public relations. ✕

The [American Veterinary Medical Association](#) headquarters in Schaumburg, Illinois, was operating normally.

“No closings,” senior media relations specialist Michael San Filippo reported March 12. “At this point, we are monitoring the situation closely and making day-by-day decisions regarding staff and volunteer travel, meetings and work locations.”

AVMA’s [annual convention](#) is still scheduled to start July 31 in San Diego.

The North American Veterinary Community, publisher of Today’s Veterinary Business, closed its Orlando and Gainesville, Florida, offices on March 13 but planned to reopen them the week of March 16. Employees were advised that anyone who wanted to work from home could do so, and non-essential business travel was curtailed.
